ORDER

07-cv-250-bbc

In this patent infringement suit, plaintiff alleged that defendants were infringing

United States Patent Number 7,072,687 (the '687 patent). FusionOne, Inc. filed a motion to intervene in this patent infringement suit, asserting that it was a real party in interest. Before briefing had concluded, all claims and counterclaims between all parties to the lawsuit were dismissed pursuant to a string of stipulations between the parties. (Dkt. ##81, 89, 90, 92, 94). Therefore, FusionOne, Inc.'s motion to intervene will be denied as moot, and this case will be closed.

ORDER

IT IS ORDERED that FusionOne's motion to intervene is DENIED as moot and the clerk of court is directed to close this file.

Entered this 15th day of February, 2008.
